8. Assignment of Ownership

I/We, the undersigned, hereby state that I/we am/are the owner of the life insurance, endowment, account or annuity contract identified above. For the purpose of making an Internal Revenue Code Section 1035 Exchange of insurance or annuity contract, or direct transfer of a qualified account, I/We hereby absolutely assign and transfer all rights, benefits, interests and property I/we have in the above identified contract/account to the assignee identified above (hereafter "the Company"). This assignment and exchange is conditioned upon the decision by the Company to issue, on the basis set forth in the application, an annuity contract. After acceptance of the application by the Company, this assignment will become absolute and the Company will issue to me an annuity contract in exchange for the partial or full and complete surrender of the above listed contract and that the cash surrender value will be applied as a premium on the contract issued to me by the Company. The Company assumes no liability for any delay by the other Company in processing the assignment of ownership, the request for surrender or the payment of the cash surrender value. I/we understand that the Company will request the immediate surrender of the contract being assigned to them as part of the Section 1035 Exchange or Transfer. If I/we elect to refuse the policy issued by the Company under the "free-look" provision, I/we recognize that the assigned contract may have already been surrendered for its cash surrender value. If I/we refuse the policy under the "free-look" the Company has no liability beyond the return of the cash surrender value of the assigned contract directly to the original source of the funds received.. If no premium is paid with the application, coverage under the new policy issued by the Company becomes effective when coverage under the existing policy identified above ceases because the other insurer has processed the Company's request for surrender. I/we certify that no proceeding in bankruptcy or insolvency, voluntary or involuntary, is pending against me/us.
