ISSUE AGES: The issue ages for all guarantee periods is 18 through 85 (based on age at last birthday).

PREMIUM PAYMENT: Single Premium • \$10,000 minimum • \$1,000,000 maximum

GUARANTEE PERIODS: 3 to 10 years

CREDITING RATES: Your credited rate is guaranteed for the Guarantee Period selected. At the end of your Guarantee Period, you will have a 30 day window to surrender all or a portion of your account value without penalty. Or, you may do nothing and your funds will automatically roll into another guarantee period at the then current credited rate. In Texas, the minimum guaranteed interest after the initial guarantee period is **0.15%** for contracts issued in 2022.

FREE LOOK PERIOD: When you receive your MYGA contract, you are given a 30-day “free look” period. If during this period you decide that you do not want the MYGA, you may return it to us for a full return of premium less any withdrawals made by you during those 30 days.

PENALTY-FREE WITHDRAWALS: Beginning immediately after your free look period, you may withdraw up to 10% of your account value without a surrender charge. The limit on these penalty-free withdrawals is 10% per year.. Withdrawals in excess of the penalty-free withdrawal limit will incur surrender charges; however, the “Life Events Rider” offers an additional opportunity for a penalty free withdrawal. The minimum withdrawal requirement is \$500.

LIFE EVENTS RIDER: The Diamond Head MYGA offers an additional withdrawal of up to 10% of your account value for any reason without incurring a surrender charge. This rider is available at no additional cost, and can be exercised only once during the life of the contract.

SURRENDER CHARGES: A surrender charge applies to withdrawal amounts in excess of the penalty-free withdrawal limit. Each guarantee period has its own surrender charge schedule. The surrender charge amount is a percentage of the funds withdrawn, and the percentage decreases over the guarantee period. If your annuity renews for a new guarantee period, the surrender charge schedule will reset and start over.

MARKET VALUE ADJUSTMENT (MVA): None. The benefits available on surrender or withdrawal will never be affected by changes (MVA) in interest rates. This product guarantees a fixed rate, regardless of market changes.

SYSTEMATIC WITHDRAWALS: You may elect to take regular disbursements from your account value, as either a fixed amount per period (monthly, quarterly or annually) or interest only payments where your original principal remains untouched. These can be arranged at any time. The minimum amount of any systematic (or routine) withdrawal is \$100. Any disbursements in excess of the penalty free withdrawal limit will incur a surrender charge; the exception being Required Minimum Distributions (RMDs) which are never subject to surrender charges (but do count toward your 10% penalty-free withdrawal limit).

PROTECTION OF PRINCIPAL: There is no risk of market volatility, because you are earning a guaranteed interest rate. Your money and the interest credited are protected.

TAX-DEFERRED GROWTH: The Diamond Head MYGA grows on a tax-deferred basis which may generate a greater account value over time. When you pay taxes each year on earnings, the amount of funds available for growth is reduced. With the Diamond Head MYGA, income taxes are only due when funds are withdrawn.

IRS PENALTIES: A ten percent (10%) IRS penalty may apply to distributions prior to age 59 ½.

DEATH BENEFIT: Beneficiaries will receive the full account value amount without incurring any surrender charges. If the sole Beneficiary is the surviving spouse of the Owner, the spouse may elect to continue this Policy as the new Owner.

ANNUITY SETTLEMENT OPTIONS: Life Income Only; Life Income with Guaranteed Period Certain; Period Certain Only.
